Keith J Dunsborough –

Good afternoon, feeling a little crook yesterday, sorry I didn't front.

As the GSR for Dunsborough I would like to submit this report.

Although our numbers haven't been great lately we are a committed few.

Our finances are ok and we have in fact paid up our rent/ donation to St George's Anglican Church until December and have also pre paid for the Serenity Magazine until December 2022.

The door will be open at 9.00am every Saturday as long as some one comes for assistance or a friendly ear. Thanks for your efforts in getting the South West District, moving again. Looking forward to the months ahead.
